 - Stress management
 - Ransomware and DDoS crisis (technical)
- Crisis Exercise!

A scenic view of a mountain town with a church and green hills under a blue sky. The text 'Guilder Königeraiche' is overlaid in a large, elegant, cursive font. The background shows a town with a prominent church on a hillside, surrounded by lush green fields and rolling mountains under a clear blue sky.

CLAW

The third Crisis Management Workshop for the GÉANT Community

6-7 November 2019
PSNC, Poznan, Poland

Crisis Exercise

- 2 hours online
- Inspired by escape rooms and audioplays
- Team with people from your own NREN, or mixed
- Use what you've learned in trainings

Future plans

- Status report crisis management readiness:
 - Looking for NRENs to interview
 - Short report about own NREN
 - Overall score all NRENs in report to EC
- Regional workshops
- Pilot simulation exercise
- Creating self assessment/checklist

CSM21

- 17 NRENs contributed
- Over 30 blogs/interviews
- 4 Webinars (last one this Thursday from CERN)
- Material translated into 17 languages

- Question for our team: focus on end-user still good?

THANK YOU
